CUSTOM SIDES

IF YOU CAN DREAM IT, WE CAN CREATE IT!

Traditional side designs are shown on pages 2-9, but if there is something you love but don't see, we can NOW help you create the ring you have dreamed of.

Designing your custom side is easy!

- Get your order form from your school class ring representative or download at nrprings.com/customsides
- Check the CUSTOM SIDE DESIGN box on the ring order form
- Attach a sketch of your artwork* or a photo* reference to the order form
- Submit order form and artwork/photo to **sales rep**
- Receive your custom artwork proof from your sales rep via e-mail. Additional charges will apply

*Photo and artwork requirements: For best results a resolution of 300 dpi or higher is required for the successful upload of artwork. Accepted file types include BMP, GIF, JPG, JPEG, PCT, PICT, TIF and TIFF. Artwork will be modified for manufacturing purposes. By sending NRP your artwork, you agree that you own title and rights to this art for reproduction. You will be liable for any copyright infringement. You also authorize that all art created, for manufacturing purposes, will remain property of NRP.

SUBMIT YOUR DRAWING

Taking your sketch and turning it into your custom ring side has never been easier!

SEND US A PHOTO

Not an artist? Then take a photo or two and e-mail them to your rep.

See your school representative for pricing.
